IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW CARD ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a Card Account. What this means for you: When you open a Card Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see a copy of your driver’s license or other identifying documents.

Activate Your Card

You must activate your Card before it can be used. You may activate your Card by calling 1-866-331-8756 or online by visiting www.e1card.com. You will need to provide personal information in order to verify your identity.

Personal Identification Number

You will not receive a Personal Identification Number (“PIN”) with your Card Account. However, you will be prompted to select a PIN when you activate your Card. See the activation instructions in the “*Activate Your Card*” section. You should not write or keep your PIN with your Card. Never share your PIN with anyone. When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately following the procedures in the paragraph labeled “Your Liability for Unauthorized Transfers.”

Authorized Card Users

You are responsible for all authorized transactions initiated and fees incurred by use of your Card. If you permit another person to have access to your Card or Card number (s), we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement.

Secondary Cardholder

If you have upgraded from an instant issued non personalized card to a personalized card you may request an additional Card for another person. The maximum number of additional Cards permitted is one (1). You must notify us to revoke permission for any person you previously authorized to use the Card. If you notify us to revoke another person's use of the Card, we may revoke your Card and issue a new Card with a different number. You remain liable for any and all usage of an additional Card you authorize. A fee may be assessed for expedited delivery of an additional Card; for more information about the delivery options and applicable fees, see the section labeled "*Fee Schedule*."

Your Representations and Warranties

By activating the Card or by retaining, using or authorizing the use of the Card, you represent and warrant to us that: (i) you are at least 18 years of age (or older if you reside in a state where the majority age is older); (ii) you are a U.S. citizen or legal alien residing in the fifty (50) states of the United States ("U.S.") or the District of Columbia; (iii) you have provided us with a verifiable U.S. street address (not a P.O. Box); (iv) the personal information that you provide to us in connection with the Card is true, correct and complete; (v) you received a copy of this Agreement and agree to be bound by and to comply with its terms; and (vi) you accept the Card.

Cash Access

With your PIN, you may use your Card to obtain cash from any Automated Teller Machine ("ATM") or any Point-of-Sale ("POS") device, as permissible by a merchant that bears the Visa®, Interlink®, Plus® or NYCE® Acceptance Mark. All ATM transactions are treated as cash withdrawal transactions. You may use your Card at an ATM and withdraw funds from a participating bank (over the counter withdrawal). Any funds withdrawn from a POS device will be subject to the maximum amount that can be spent on your Card per day. These are our limits associated with withdrawing cash from your Card

Transaction Type	Dollar and/or Frequency Limits*
Cash Withdrawal (ATM)	\$600.00 per transaction, \$2,500.00 per day
Cash Withdrawal (Over the Counter)	\$5,000.00 per transaction \$5,000.00 per day

*ATM owner-operators and participating banks may impose their own lower limits on cash withdrawals.

Loading Your Card

You may add funds to your Card at any time. You may load your Card via direct deposit from an employer or benefits provider or direct deposit of funds resulting from a tax refund. You may load your Card via ACH from checking or savings account. You may load your Card via cash through Green Dot® MoneyPak®, MoneyGram® and Visa ReadyLink.. To learn more about how to load your Card or which load networks are participating you may call customer service at 1-866-331-875 or online at www.e1card.com. You will have access to your funds immediately after Card activation or within 1 hour of reload. While checks made payable to you as a payee may be deposited to your Card Account using Remote Check Deposit, if available, any personal checks, cashiers checks, and money orders sent to the Issuer are not an acceptable form of loading. All such checks and money orders sent to the Issuer for Card loading will be returned unless the full amount may be applied towards a negative balance, in which case the check or money order may or may not be loaded to the Card at the discretion of the Issuer.

Remote Check Deposit

You may load a check made out to you as the payee into your Card Account by downloading the Ingo Money app to your mobile device and following the instructions provided in the app. The load process will require you to submit an image of the check along with your 19-digit Direct Deposit account number.

This service is provided by a third-party money transfer service provider. To use it, you must agree to the terms and conditions the service provider establishes from time to time. These terms and conditions may include fees for use of the service that are charged by the service provider. The terms and conditions, including the applicable fees, will be provided to you at the time you sign up for the service. You will also be notified about any fee for a particular deposit before you authorize it. Generally, you will not have access to the money you load via remote check capture until your check clears (typically, seven (7) business days). The service provider may offer immediate funds availability for a fee.

The maximum value of your Card is restricted to \$20,000.00. These are the limits associated with loading your Card:

Direct Deposits	Minimum load \$.01. Maximum load \$20,000.00 -per day 3 per day

Preauthorized Transfers Your Card Account cannot be used for preauthorized direct debits from merchants, Internet service or other utility service providers ("Merchants"). If presented for payment, preauthorized direct debits will be declined and payment to the Merchant or provider will not be made. The Issuer's bank routing number and the 19 - digit Direct Deposit account number are to be used only for the purpose of initiating direct deposits to your Card Account. You are not authorized to provide the Issuer's bank routing number and the 19- digit Direct Deposit account number to anyone other than your employer or a payer.

Right to Stop Payment and Procedure for Doing So: To stop a recurring payment to a Merchant you have preauthorized to debit your Card Account, you must first contact the Merchant to request the recurring payment be cancelled. If you have arranged for recurring payments to a Merchant using the bill pay services available through our third-party service providers, you should first contact the applicable third-party service provider to cancel the recurring payment.

If the Merchant or bill payment service provider with whom you have arranged recurring payments from your Card Account is unable or unwilling to stop your payment, call 866-331-8756 or write to: PO Box 1484 Easton, PA 18044 to request a stop on such payment. We must receive your request at least three (3) business days before the payment is scheduled to be made. Such a stop payment request will cancel a single, *i.e.*, one (1) recurring payment. If you want to permanently stop all recurring payments to a specific Merchant then we require you to put your request in writing and get it to us within fourteen (14) days after you tell us you want to stop such payments. There is a fee associated with each stop payment order you give. For information about the fee, see the section labeled "*Fee Schedule.*"

Notice of Varying Amounts: If the recurring payments you make might vary in amount, the person you are going to pay will tell you the payment date and the amount of the payment ten (10) days before each payment is scheduled to take place. *(You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)*

Liability for Failure to Stop Payment of Preauthorized Transfer: If you order us to stop a preauthorized payment three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Using Your Card/Features

The maximum value of your Card is restricted to \$20,000.00. These are the maximum amounts that can be spent on your Card:

Transaction Type	Dollar and/or Frequency Limits
Card Purchases (Signature)	\$5,000 per transaction, \$5,000 per day
Card Purchases (PIN)	\$5,000 per transaction , \$5,000 per day

You may use your Card to purchase or lease goods or services everywhere Visa debit cards, Interlink cards, Plus cards and NYCE cards are accepted as long as you do not exceed the value available on your Card Account. Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Card Account to the Card. You must then arrange to pay the difference using another payment method. Some

merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined.

If you use your Card at an automated fuel dispenser (“pay at the pump”), the merchant may preauthorize the transaction amount up to \$100.00 or more. If your Card is declined, even though you have sufficient funds available, you should pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the transaction may be preauthorized for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. A preauthorization will place a “hold” on those available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorized amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. If you authorize a transaction and then fail to make the purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days.

If you use your Card number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. Your Card cannot be redeemed for cash. You may not use your Card for online gambling or any illegal transaction.

Each time you use your Card, you authorize us to reduce the value available in your Card Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in your Card Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the available balance of the funds on your Card, you shall remain fully liable to us for the amount of the transaction and any fees, if applicable.

Non-Visa Debit Transactions

New procedures are in effect that may impact you when you use your Card at certain merchant locations. In the past, transactions have been processed as Visa debit transactions unless you entered a PIN. Now, if you do not enter a PIN, transactions may be processed as either a Visa debit transaction, or as a NYCE transaction.

Merchants are responsible for and must provide you with a clear way of choosing to make a Visa debit transaction if they support the option. Please be advised that should you choose to use the NYCE network when making a transaction without a PIN, different terms may apply. Certain protections and rights applicable only to Visa debit transactions as described in this Agreement will not apply to transactions processed on the NYCE network. Please refer to the paragraph labeled “Your Liability for Unauthorized Transfers” for a description of these rights and protections applicable to Visa debit and non-Visa debit transactions.

To initiate a Visa debit transaction at the POS, swipe your Card through a POS terminal, sign the receipt, or provide your 16-digit Card number for a mail order, telephone, or Internet purchase. To initiate a non-Visa debit transaction at the POS, enter your PIN at the POS terminal or provide your 16-digit Card number after clearly indicating a preference to route your transaction as a non-Visa debit transaction for certain bill payment, mail order, telephone, or Internet purchases.

Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds and agree to the refund policy of that merchant. The Issuer is not responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with a Card. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided.

Card Replacement

If you need to replace your Card for any reason, please contact us at 1-866-331-8756 to request a replacement Card. You will be required to provide personal information which may include your 16-digit Card number, full name, transaction history, copies of accepted identification, etc. There is a fee for replacing your Card. For information about the fee, see the section labeled “*Fee Schedule*.” A fee may also be assessed for expedited delivery of an additional Card; for more information about the delivery options and applicable fees, see the section labeled “*Fee Schedule*.”

For information on replacing an expired Card, see the section below labeled “*Expiration*.”

Expiration)

Your Card will expire no sooner than the date printed on the front of it. **The funds on the Card do not expire.** Non personalized, or instant issue, cardholders will not be able to use your Card after the expiration date; however, you may request a replacement Card at no cost to you by following the procedures in the section labeled “*Card Replacement*.” Personalized cardholders will not be able to use your Card after the expiration date; however, a replacement Card will automatically be mailed to you prior to the expiration of the soon-to-expire Card. If you need a replacement Card for any reason other than the Card’s expiration, you may request one at any time, however there is a Replacement Card fee. For information about the fee, see the section labeled “*Fee Schedule*.”

Transactions Made In Foreign Currencies

If you obtain your funds or make a purchase in a currency other than the currency in which your Card was issued, the amount deducted from your funds will be converted by Visa into an amount in the currency of your Card. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. If you obtain your funds or make a purchase in a currency other than the currency in which your Card was issued, the Issuer may assess a foreign currency conversion fee of 0% of the transaction amount and will retain this amount as compensation for its services. Transactions made outside of the fifty (50) U.S. States and the District of Columbia are also subject to this conversion fee even if they are completed in U.S. currency.

Receipts

You should get a receipt at the time you make a transaction using your Card. You agree to retain, verify, and reconcile your transactions and receipts.

Card Account Balance/Periodic Statements

You are responsible for keeping track of your Card Account available balance. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction. You may obtain information about the amount of money you have remaining in your Card Account by calling 1-866-331-8756. This information, along with a sixty (60) day history of Card Account transactions, is also available online at www.e1card.com. You also have a right to obtain a sixty (60) day written history of Card Account transactions by calling 1-866-331-8756. However, there is a fee for this service. For information about the fee, see the section labeled "Fee Schedule."

You will not automatically receive paper statements.

Fee Schedule

All fee amounts will be withdrawn from your Card Account and will be assessed as long as there is a remaining balance on your Card Account, except where prohibited by law. Anytime your remaining Card Account balance is less than the fee amount being assessed, the balance of your Card Account will be applied to the fee amount resulting in a zero balance on your Card Account.
